

# La Monte R-IV

**Home of the Vikings**  
**301 S. Washington La Monte, MO 65337**  
**(660)347-5439**

Dear Parent/Guardian,

The La Monte staff and administration are excited about continuing to offer a service to keep parents informed about individual students. It's called Parent Web Access and will allow you to see a "snapshot" or posting of your student's data from La Monte School. This secure data is available to *only you* from our school website.

***Q: What data can I view about my child?***

**A:** Parents have the ability to view data areas showing **Attendance**, **Grades**, and **Lunch** account activity.

***Q: What do I need to do to get involved and view my child's data?***

**A:** First, you'll need a valid email address and Internet access. This email address will become your "Username" for Parent Web. Electronic correspondence from La Monte Schools will be sent to this address. Then you will need to sign, date, and return the attached page to the school counselor so that we can keep a file with your permission to post this data.

***Q: How secure is this information?***

**A:** This information is not directly connected to our computer infrastructure so it is not possible to "hack" in and make changes to student information.

***Q: How often will the information be updated?***

**A:** We anticipate that we will update the system at least once a week. We hope to keep the system as updated as possible.

***Q: What if I signed up last year but forgot my password?***

**A:** You can call the school principal/counselor and they can inform you of your password.

***Q: How do I access this site?***

**A:** Login to the La Monte School homepage.

We look forward to your participation in your child's experiences at La Monte School!

Sincerely,

Audrey Ming  
Professional School Counselor-in-Training
